Let Us Grow

Do you want to lose weight? Are you doing anything to make that happen? If not, you are probably not going to lose any weight. Do you want to know more about the Bible? Are you doing anything to make that happen? If not, you are probably not going to know any more tomorrow than you know today. Do you want to grow in your faith? Do you want to be a Leader? Do you want people to look at you and see Jesus? I think we would all say "Yes!" to all these questions. The real question is, "What are you doing about it?" We have several opportunities at Forrest Park that I hope you will take advantage of over the next few months. Let me share just a couple with you:

Y.E.S. Weekend – February 24-26 ... Joe Wells, Ahren Steis, and Brandon Britton are going to be joining us to talk about the Scars so many of us have from the trials of life and how Jesus will help us heal those scars. If you have "Scars," which you do, this weekend will help you grow.

Leadership Class – Beginning in March, the Elders request that all our male members attend a Leadership class being offered on both Sunday and Wednesday night (same class). You need to pick one of those times to attend. The Church needs more leaders, and you can be that man!

Lads to Leaders (Leadership Sunday) – I believe the most impactful thing we do for our children is the Lads to Leaders program. I have seen boys and girls turn into Men and Women in their ability and willingness to lead in the next generation. It's not only the kids who grow but the adults who teach, encourage, and chaperone.

We all want to grow. What are we doing to make that growth happen? Paul wrote in 1 Timothy 4:15, "Meditate on these things; give yourself entirely to them, that your progress may be evident to all."

~Westley Hazel~

Our Shut-Ins ... Need prayers for care & comfort.

Jeanette Allen, Gloria Council, Blanche Hogan, Tillie Johnson, Nellie Leveille, Beverly Weaver

To our precious Forrest Park family... We want to thank everyone so much for making Paul's 90th birthday so special. He really enjoyed it so much. He said, "It's the best birthday I've ever had!" It was because of the love that everyone gave to him. We love all of you so much!
