**HEART ISSUES**

This is a topic that I cannot talk a lot about because up to this point in my life, I have not had any physical heart issues. But I know there are numerous people that have had to deal with and continue to deal with heart issues. So, when we sense an issue or concern for our hearts, what is the normal protocol to resolve the issue or gather more information about the concerns or symptoms?

We go to our physician who normally sends us to a Cardiologist to help us gather the information needed to get our "heart right" so that we can live a long life on this earth. We listen to everything the physician tells us, and we do everything we can from prescriptions to surgeries to try to resolve our "heart issues." Hopefully, through the process we are praying that God will help us with our health to heal us if it is His will!

So, what about our "heart issues" when it comes to our Spiritual walk with the Lord? How do we fix that "heart issue?" Are we as serious with the results in trying to resolve the issue as quickly as possible? Hebrews 3:12-13 says, "Take care, brothers lest there be in any of you an evil, unbelieving heart, leading you to fall away from the living God. But exhort one another every day, as long as it is called "today," that none of you may be hardened by the deceitfulness of sin."

**Did you catch it?** "Unbelieving heart leading you to fall away from the living God!" In these verses how do we help each other with our Spiritual hearts? **Exhort one another daily!** We need to look at our hearts daily and make sure they are in accordance with the will of God!
