Tornadoes

This past weekend was "interesting" when it comes to weather! (*Lowndes County was on The Weather Channel Monday Morning!*) I was not expecting bad weather, much less tornadoes in Valdosta on Sunday afternoon! If you have had a chance to see all the videos and speak to people that were near it or experienced "problems" from the weather – it was an afternoon to remember! After the weather calmed down, did you notice what happened? The sun came out! And the beauty of the blue sky and white puffy clouds appeared. It was beautiful!

Today, we have "storms" come along in our lives that sometimes feel like "tornadoes"! The unexpected can hit us quickly with no warning signs! Circumstances happen that cause us to take our focus off the most important thing in life... **Our relationship with the Lord!** As in the storms we experienced over the past weekend, the sun comes out! This is the part of our walk with Him that should give us peace about life's troubles!

For we do not have a high priest who is unable to empathize with our weaknesses, but we have one who has been tempted in every way, just as we are—yet he did not sin. Let us then approach God's throne of grace with confidence, so that we may receive mercy and find grace to help us in our time of need.
Hebrews 4:15-16

No matter what temptations of life we deal with, we know our Savior has been through it also! We know life will not always be easy; but if we have the relationship we need with the Lord, the sun will come out on the other side!
