GENERATIONS

Have you noticed how things in the world are changing? Remember when you were young? What type of clothing styles were "in" at that time compared to today? Were there cell phones, iPads, tablets? In my "dinosaur days" we would call each other and talk on a "rotary phone." How about our transportation? My first vehicle was a 1964 "pea green" color Volkswagen with an AM radio, no air conditioner, and manual roll down windows.

How about church? Did you ride to church with your parents? Did you "debate" with them on the reasons why you didn't want to go? Were you dressed in your Sunday best? Were you there for Sunday morning Bible class, worship, and AGAIN for Sunday evening...and again for Wednesday night?

Let's look at TODAY:

Clothing Styles - "Styles' have changed! I can only speak for myself, but if my children tried to leave my house dressed the way some kids do today, they would never leave the house.

Jobs - You must be IT savvy today to survive. Filing cabinets with documents no longer exist.

Communication - WOW! I went to a restaurant last weekend, and at a table near me there was a man and a woman sitting across from each other NOT verbally communicating. Both were on their cell phones texting!

Transportation - Newer, bigger, faster, and more expensive. That is the world's desire!

CHURCH - This one concerns me the most! Remember how we were raised about our feelings toward worshipping with other Christians. Has that changed?

"After that generation died, another generation grew up who did not acknowledge the Lord or remember the mighty things He had done for Israel." Judges 2:10

Response on Wed., April 26
Reginald Rose came forward and requested prayers of his church family as he strives to be the Christian example the Lord desires him to be.

Dear Congregation,
I want to thank you ALL for your many prayers and cards while I was at Mayo and Brooks Rehab/Jacksonville. Believe me, the prayers were felt. Also, the thoughts and concerns were greatly appreciated. In Christian love,
Jimmy Griffis
