ONLINE GIVING <http://www.forrestpark.org/>

Thank You, Roger!

Most of you heard the news on Sunday that Roger Steis is stepping down from his official position on staff at Forrest Park. Honestly, I don't know anything but Roger at Forrest Park, because he has been on staff as Media Minister for over 26 years. A lot of changes in 26 years, especially in regards to technology. When Roger began working here the internet was a relatively new thing!

I was thinking on Sunday about how many people have videos of their High School Seniors and passed on loved ones that they will treasure forever because of Roger's work. It has been commonplace for random members to drop by the office needing help with their electronics or even programing their phone. I started to say older members, but I know he has come to my rescue on multiple occasions. It has been a pleasure to watch Roger and Doreen share their lunches in the break room like teenage sweethearts.

Personally, my best memories of Roger center around our congregation's response to Covid-19. Because of his efforts we were one of few congregations who were ready and equipped with live-streaming technology that is so commonplace today. Not only did multiple congregations look to us for assistance, but Christians all over the world worshipped with us when their local congregations were not accessible. For many months our worship services were just me and Roger in an empty auditorium speaking to everyone at home.

What I have learned from almost nine years of working with Roger is that he loves his family and he loves the Lord. I am grateful for the ways he has been willing to use his unique abilities and background to build up both of those things. We are grateful that you will still be a part of the Forrest Park family and continue to serve in every way you know how, but we will miss you in the office. Thank you for your service and dedication!
